

Thomas Oakland Award for Distinguished Contributions to Testing and Assessment

Outline

This Award recognizes an individual that has made one or more significant and noteworthy contributions to research or practice in educational or psychological assessment that has had a positive impact at either:

- (a) an international level, or
- (b) within their home country that represents a model for others to follow

Examples include (but are not limited to):

- innovative assessment formats that lead to more valid assessment
- contributions to statistics or research design in test validation
- improved procedures for adapting tests across languages
- improved methods for evaluating assessments used across multiple languages or cultures, or
- contributions to improved testing policies and practices

The winner of the award receives free conference registration, and **\$1,000** in travel expenses to attend the conference.

The award is given every second year, at the respective ITC conference.

Process

Nominators must be:

- Full, Affiliate, or Individual Members of the ITC
- All nominators must submit a nomination letter describing the nominee's contribution
- In addition, two letters of support, from 1 different countries, are required
- The nominator should also forward a current copy of the nominee's CV, highlighting the scholarly accomplishments relevant to the nomination
- Nominations are to be sent to the Secretary-General of the International Test Commission at secretary@intestcom.org

The call for nominations will be made at least one year in advance of the conference. For the 2016 award, the following deadlines apply.

November 2017	Call for nominations
December 2017	Second call (reminder)
January 2018	Closing date for nominations
February 2018	Notification of winner
March 2018	Confirmation of acceptance
